

2025 ECSA

Summer Sailing Camp

Parent Handbook v1.0

Dear Parents,

Welcome to the 2025 ECSA Summer Sailing Camp. As you read this, the entire summer camp staff is busy preparing for the eight weeks of fun and learning that lie ahead. We are very excited for another great summer of sailing!

We have a staff of qualified Sailing Instructors and Junior Instructors excited for the program to start.

We hope that the skills learned in our classes will provide the foundation for a life-long recreational hobby because sailing is one of the few sports where size, physical strength, and gender are equalized on the water. Furthermore, many of the skills learned on the water are transferrable to daily life: responsibility, seamanship, confidence, problem solving, social skills, and others. ECSA prides itself on providing the safest and most exciting experience for new sailors.

As the first day of camp approaches, we anticipate that you may have questions about our program. The following pages provide detailed information, including the Camp's schedule, what personal gear sailors should bring, and important policies relating to safety both on and off the water. Please take a minute to review them and share this important information with your son or daughter. It is designed to help you understand what to expect, what to bring, where to be, and when to be there.

On behalf of the staff, instructors, and Board of Directors, we welcome you to Emerald Coast Sailing Association Summer Sailing Program and look forward to a summer of fun.

Week 7	July 21 – 25, 2025	Beginner I, II, & Learn to Race
Week 8	July 28 – August 1, 2025	Beginner I & II

A typical day will have on-shore, then on-the-water: learning, fun activities, and skill-building. They will rotate on and off the water with a shaded lunch break. It will be the **BEST** Summer Camp in Okaloosa County! If required, COVID-19 procedures will be in place as recommended by the CDC, St of Florida, FWYC, and US Sailing.

SAILORS DAILY ITEMS TO BRING

Please label all equipment and clothing with the sailor's First and Last name in large block letters (Names should be on the back of Life Jackets). ECSA is not responsible for lost items. Sailors are solely responsible for keeping track of the personal equipment they bring and use.

- Coast Guard Approved Life Jacket and whistle
- Appropriate Shoes (closed-toe shoes: soft/boat/water shoes) must be worn at all times. Flip-flops or open-toe shoes are NOT ALLOWED per US Sailing Regulations.
- ECSA Water Bottle – refillable (included with camp and given to the student on the 1st day)
- Sunscreen, lip block, hat, sunglasses (APPLY SUNSCREEN BEFORE DROPPING OFF YOUR CHILD)
- Extra clothes, towel, bathing suit
- Rain gear if weather suggests

- Daily medicine must be provided and given by the parents. If close monitoring of the child is required for medical reasons, the parent can ask to join a sailing instructor on the powerboat for close observation. The Sailing Director must approve.
- Lunch from home (ECSA will provide a pizza party and awards ceremony on every Friday of camp)

Cool drinks and snacks will be served during the session, but the water bottle may be handy when you are out on the water. Parents are welcome to stay and watch. In case of emergency, you can reach us at Fort Walton Yacht Club's main office 850-243-7102 or the Sailing Director's cell phone 828-736-1119.

CAMP POLICIES

Summer sailing camp instructors will be on-premises to receive sailors at 8:45am every morning. Since ECSA instructors will not be on-premises before that time, sailors cannot be dropped off earlier. While at ECSA, sailors must always remain under the supervision of either an instructor or responsible adult. Parents should accompany the child for the first day drop-off to the back patio of FWYC. There, an instructor will be waiting with a clipboard and pen to sign-in. Tuesday through Friday, drop-off will be "drive-thru curbside" at the Brinkman patio on the beach. There will be an instructor waiting with a clipboard and pen to sign-in. Parents may choose to use the yacht club parking lot and walk their sailor to the check-in point. Every camper must be signed into camp by the adult dropping him/her off. Sailors should be dropped off by 9:00am.

By 03:00 pm, sailors will be available for pick-up. The ECSA instructor may require a valid form of government-issued photo identification to verify the identity of any picking-up adult that was listed on the registration. Under no circumstances will the ECSA instructor release a camper to any individual not previously identified in the camper's corresponding Pick-up Form. Should your camper ever require pick-up with an unlisted adult, please be sure to preemptively amend or supplement the Pick-Up form on file for your child. Please notify the Sailing Director or Head Sailing Instructor if you plan on picking your child up before 3:00 pm.

Instructors will provide pick-up supervision until 3:15 pm. Sailors must be picked up by that time. If under extenuating circumstances, you cannot arrange pick-up prior, ECSA will provide continuing supervision of your child. ECSA reserves the right to charge fees for late supervision of up to \$40.00/hour, including a full \$40.00 for any fraction of the first hour.

SAFETY AND OTHER PROTOCOL

Below is a list of important camp protocols to ensure safety during all camp activities:

- 1) Proper closed-toe footwear must be worn at all times. Helmets are available upon request and will be required to wear at the Sailing Director or Sailing Instructor's discretion based on wind speed.
- 2) Lifejackets must be worn by sailors anytime they are on the water or around the docks/ beach.
- 3) Sailors must remain under instructor supervision whenever they are on-premises. Sailors are not to venture into the Main Clubhouse, parking lot, dry dock, or otherwise outside of instructor supervision.
- 4) Sailors must be closely accompanied by instructors whenever they are on the Dock or near the water. No unsupervised swimming is allowed.
- 5) NO HEAD-FIRST DIVING! Since depth varies with tide, and since it is sometimes difficult to see the Bay bottom, head-first diving is always prohibited during camp.
- 6) Running is prohibited on and around the docks and parking lot.
- 7) Horseplay is prohibited on and around the docks and beach.
- 8) Sailors must report any equipment breakdowns to their supervising Instructor. Such breakdowns may

arise from time to time due to regular wear and tear.

- 9) Sailors must report to their instructor any & all injuries or illnesses that may arise.
- 10) Sailors must be comfortable in and around the water and be able to swim unaided and tread water. A swimming check-out will be given on the first day of class.
- 11) Sailors will first be taught, but then must demonstrate the ability to independently right a capsized boat if they wish to sail independently.
- 12) While sailing, sailors must always stay near their instructor and the other sailboats in their group.
- 13) Sailors shall not operate or manipulate boat hoists or be near them.
- 14) Sailors shall treat fellow sailors, parents, instructors, and all ECSA/FWYC staff and members with respect, courtesy, care, and consideration.
- 15) Sailors shall treat the facilities and premises of ECSA & FWYC with respect and care. This includes:
 - a) prohibition against the deliberate mistreatment/reckless destruction of property
 - b) the responsibility to avoid creating hazards, messes, and other damage by negligence
 - c) the responsibility to track down and dispose of all trash created either by him/her or other negligent sailors
 - d) the responsibility to return all used equipment to the location, and in the condition and configuration in which it was originally found.
- 16) ECSA strongly discourages sailors from bringing any type of valuables or electronics (including video games, cellphones, iPad, iPod), or any form of currency to camp. ECSA will not be responsible for the loss or destruction of such items.
- 17) Students will treat other students, instructors, and adults with courtesy and respect. NO BULLYING or any form of physical, emotional, or sexual harassment. This will be grounds for immediate removal.

For the safety of all sailors, and to avoid all types of unnecessary difficulties, sailors must understand and continue to respect the above ECSA Summer Sailing Camp policies. Please discuss them with your child. This list of policies is not intended to be exhaustive. Instructors may advise sailors of other important policies from time to time.

COVID-19 VIRUS Policy & Procedures (Only if it becomes regulated again)

Parents and Students MUST AGREE to follow all Sailing Instructor and Sailing Director instructions concerning COVID-19 safety procedures as instructed by the CDC, State of Florida, US Sailing Organization, Fort Walton Yacht Club, and Emerald Coast Sailing Association. If an instructor tells the students to wear a mask or buff, then they must comply. If the student refuses to wear a mask as instructed, he will be expelled, and the parents will be called to pick up the child.

1. The students' temperature will be taken every morning. If it is over 100.4F, the student will not be allowed to participate and must go home.
2. Please wear a mask for check-in. The student will be given 1 free buff on the 1st day of camp and is expected to bring it back every day.
3. Any participant or household member of a participant, who is not feeling well, has been exposed to a person with COVID-19 within 10 days (or as recommended by the CDC) of practice/play, or has traveled to/from any foreign country/domestic area identified by CDC or local health officials as a hot spot within the past 10 days, should not attend camp.
4. Participants and parents should continuously monitor their health while attending camp.

5. ECSA will have hand sanitizer and wipes available during camp. The instructors will disinfect the boats daily after use.
6. Signed waivers are required at check-in. They are at the end of this handbook and can be printed and signed ahead of check-in to speed up the process.
7. The Sailing Director will send an email with additional information several days before the start of camp.

CAMPER DISMISSAL

ECSA reserves the right, in the exclusive discretion of ECSA Management, to dismiss any sailor who repeatedly interferes with the welfare/safety of others and/or the success of the program. Dismissal from camp results in complete forfeiture of session fees. ECSA policies ensure the safety and comfort of all sailors, optimizing their learning and protecting both ECSA, FWYC, and sailor property. Above all, ECSA wants sailors to be safe and have fun.

ECSA ZERO TOLERANCE STATEMENT

The safety of our sailors is of paramount importance to ECSA. ECSA has a ZERO TOLERANCE for abuse and misconduct. This includes not only on-water safety but also safety ashore in any part of ECSA's programs. ECSA is committed to creating a safe and fun environment for all our athletes, youth, and adults. Everyone has a role to play in creating a healthy setting in our sport of sailing, so help to raise awareness about misconduct in sport, promote open dialogue, and provide training and resources for our members, member organizations, athletes, coaches, parents, and volunteers. Please read The US Sailing SafeSport Handbook which is intended to inform and provide guidance to our sailing constituents about SafeSport policies to protect our sailors from all types of misconduct and abuse. In addition, we have Codes of Conduct applicable to Staff, Instructors, sailors, parents, and spectators.

FEE POLICY AND SCHOLARSHIP

ECSA cannot/ will not pro-rate, refund or otherwise discount session fees based on planned or unplanned absences. ECSA cannot/ will not offer "split" session fees. To secure a sailor's participation for any specific camp date, payment in full for the corresponding session(s) is required. This policy is non-negotiable and uniformly enforced.

Written permission (email) by the Sailing Director or ECSA President is required for any valid refunds or cancellations. If a parent requests a refund from PayPal without ECSA permission, then the family will not be able to participate in any future ECSA camps, events or activities until the payment is paid back in full.

Partial or total scholarships (based on financial reasons) are available to kids and youth participating in our Summer Sailing Camps. Scholarships are awarded from the generosity of donors, who love to read the thank you notes from our scholarship recipients (so, please write!). Financial assistance is confidential, and a separate application form is required. Please email sailingdirector@ecsasailing.com to request a form.

FEEDBACK

We are always trying to improve the program. We welcome all suggestions, criticisms, and compliments. Problems need to be addressed as early as possible with the Sailing Director. Excluding safety concerns, any discussion must be taken up outside of class time and should be out of the presence of children and third parties. Complaints or suggestions, if they are either complex or serious, should be made or followed up, in writing. Having comments in writing helps us address the issue fully and reduces misunderstandings. It is important to us that the Sailing Summer Camp experience is the best that we can make it. Our staff is trained to deal with problems related to youth learning to sail and not necessarily for other issues. Lastly, please remember that completed medical treatment, pick-up authorization, and waiver forms must be received before the camper's first day in attendance. Blank forms are provided in the final pages of this Parents' Guide and on the website.

WEATHER

We will hold class every day regardless of the weather. Summer storms are very common and usually last a few hours. We'll do safe activities and then send the kids out when the storm is gone. However, our classroom facility is limited so if the weather is awfully bad, you might consider arranging for an early pickup. If that is not possible, our staff will be there until class is scheduled to end. There are no provisions for weather make-up days. We will have indoor "Rainy Day" fun activities and skills to learn.

GRADUATION DAY

On the last day of camp, we have a **pizza party and awards ceremony** (start time to be given during the week but usually it begins at 12:00pm). Parents are invited to come and participate. After the awards, we will have family sailing time where your kids can take you sailing and show you what they have learned. Feel free to bring a kayak or paddleboard. We hope your child has a fun and enjoyable time learning about sailing.

FWYC and BBSC MEMBERSHIP

Please visit <http://fwyc.org/> or <http://www.bbsc.com/> to learn more about joining a sailing organization to continue your child's learning and enjoyment of sailing. Ask the Sailing Director about the various junior sailing programs that are available all year long. During your child's summer camp week, the parents will be offered a temporary (limited) FWYC Membership (1 week) to enjoy the facility and buy lunch/drinks.

THANK YOU

Please help us spread the word about the Summer Sailing Camp. We are a non-profit organization and strive for a successful program. If you have any further questions, please email sailingdirector@ecsasailing.com. We look forward to meeting you and your sailor(s) this summer!

Participation Agreement *(please print, sign, and bring to the 1st day of camp)*

NOTE: Both the participant and parent/guardian must read and sign this form before the sailor may participate.

Sailing, like most sports, involves an element of risk to injury. Students will be sailing in water deeper than they can stand, a sudden wind gust could cause their boat to capsize, parts of the boat can cause injury, and exposure to the elements, if not properly prepared can cause problems. The water environment contains many sharp objects such as oyster shells, fish bones, and other debris.

To make sailing classes as safe as possible, students will be instructed in rules which will reduce the risks. The students must follow the directions of the instructors and the rules/policies as described in the Parent Handbook. We have read the above information concerning the risk involved in sailing. We understand and assume the risk involved in participating in the sailing classes. We will abide by the rules of Emerald Coast Sailing Association and the Fort Walton Yacht Club and those rules established for the sailing program.

We further agree to hold Emerald Coast Sailing Association and the Fort Walton Yacht Club, instructional program or host locations, US Sailing, and their representatives harmless (including all costs of defense and attorneys' fees) from any claim we might otherwise have for personal injuries, death, and/or property damage even when any such injury, death, or property damage results in whole or in part from any form or degree of negligence on the part of the parties being held harmless and any of their officers, members, instructors, employees, and volunteers or subcontractors and also when such injury, death, or property damage is caused or contributed to by a defect in the premises, vessel, appurtenance, and/or equipment of any kind, even a defect that pre-exists the signing of this agreement. The sailing camp you are about to begin is an exciting and demanding challenge, but you need to be aware of what will be involved and be willing to study and practice to achieve success.

I understand that in entering this sailing camp I agree to obey all program rules as set forth by the sailing director and the instructors, that I will use the utmost care in the use of the boats and equipment, that I will not engage in any horseplay or other disruptive behavior. I understand that failure to attend regularly, arrive promptly, or abide by the rules may result in my suspension from the program. I agree to wear a buff or mask if an instructor asks.

I assume full responsibility for any loss or damage, excepting loss or damage covered by insurance, that may come to any person, boat, sailboard, equipment, pier, or other property used in conjunction with this course as a result of improper use, negligence, violation of the rules, and other acts of sailors, or other representatives of the school, instructional program or host location in connection herewith. I accept that the sport of sailing and the conduct of this course entails and are subject to certain inherent risks and assume all risks on land and the water of participation in this program. I further agree to hold the school, instructional program, or host location, US Sailing, and their representatives harmless for personal injuries and/or property damage.

I understand the contents of this statement and agree to see to it that my kid adheres to the program and COVID-19 rules and procedures if COVID is regulated again. I agree to assume the obligation for the expenses of repair and/or replacement of program equipment that is attributable to my kid's reckless or irresponsible behavior. I agree to make an appointment for a parent-instructor conference if requested.
